IN VITRO DIAGNOSTIC DEVICES
ready to test

ANTIGEN RAPID TEST

biotical health

devices ready to test

- All our tests are manufactured and developed in Spain (including monoclonal antibodies)
- No equipment required
- We can supply all our references with positive and negative controls, for extra quality assurance
- Latex particle technology to obtain a different colour in the control and test line, to facilitate the interpretation of the result
- No cold chain required
- The same sample can be used for several test in the same category

PRODUCT REFERENCE LIST

	Test	Test +PC	Test +PC +NC	30 PC	1 PC	
RESPIRATORY PATHOGENS	NASAL SAMPLE
